

Mechanism tactile + neon MB

WBMLVTN-MB

Architecture

Type of control unit	Push button
----------------------	-------------

Main electrical features

Nominal voltage	29 V
-----------------	------

Materials

Colour	black
Colour	black
Material	Mixed materials
Surface appearance	matt

Dimensions

Depth	17 mm
-------	-------

Installation, mounting

Installation mode	RotoLoc ®
-------------------	-----------

Connection

Type of connection	sonstige
--------------------	----------

Safety

Protection index IP	IP20
---------------------	------

Identification

Main design line	Mechanisms
------------------	------------
